

# SMART FUTURE OLYMPIAD

*Conducted by Biswaguru Foundation Trust*

## ABOUT THE OLYMPIAD

Smart Future Olympiad is a national-level competitive examination designed to nurture logical thinking, conceptual clarity, and academic excellence among students from Nursery to higher classes, aligned with Board Syllabus.

## BISWAGURU FOUNDATION TRUST

We, Biswaguru Foundation Trust (Smart Future Olympiad), are committed to delivering research-based, high-quality educational programs for school students from pre-school to secondary level. Our objective is to create awareness about the competitive academic environment of today's world and to nurture essential skills, abilities, and critical thinking required to face future academic challenges with confidence.

We are proud to introduce and invite you to participate in the Smart Future Olympiad, offering English, Mathematics, Science, Computer, and General Knowledge Olympiads, designed to encourage excellence, curiosity, and holistic learning among students.
